North Ranch neighbors had an exciting and adventurous ride with Pedego 101 in March. We began the ride from the Pedego 101 store in Westlake Village (the Farmer's Market shopping center) and rode about 13 miles round trip to the Paramount Ranch. Everyone enjoyed each other's company with the gorgeous Santa Monica Mountains as our backdrop. Once we got to Paramount Ranch we walked through the Western town set and heard about some of the history of moviemaking at this iconic location.

Riding an e-bike was definitely a unique experience. Even though you can pedal them like a regular bike, you can also get a boost from the motor when you like. This makes riding through the hills very pleasurable. Even though some of the riders in our group were more athletic than others, everyone was able to enjoy the ride from beginning to end. It's easy to see why Pedego's motto is "Hello Fun..."

The Paramount Ride was a unique experience that we hope made lasting memories for the participating North Ranch neighbors. A big thank you to our ride guides, Pedego 101 co-owners Linda Coburn and John Tajiri and their assistant, Willis, for hosting the North Ranch neighbors in such a fun-loving, kind way.

Linda and John are ramping up their Cinemastatic! tour business at the Pedego 101 store in Westlake Village. The current tour calendar is on their website. They also host exclusive rides for members of the Pedego Owners Group, custom Guided Tours, and even e-bike birthday parties.

If you missed the North Ranch ride, but would like to learn more about Pedego 101 bikes, please feel free to give Linda a call or stop in and visit their shop!

Neighborhood events, like this one, are free and are open to all North Ranch residents. No sales pitch, just a good time and chance to meet your neighbors.
